

## **Department of Botany**

**1. Title of the Event:** Lab Visit under MOU between Government NRM Girls College, Dhamtari, and BCS Government Postgraduate College, Dhamtari.

**2. Organized by:**

Department of Botany, Govt. NRM Girls College, Dhamtari, in collaboration with Department of Botany, BCS Govt. PG College, Dhamtari, Chhattisgarh.

**3. Date and Time:** 22 October 2024 (11.00 AM to 4.00PM )

**4. Venue:** Botany Laboratory, BCS Govt. PG College, Dhamtari.

**5. Objective:**

To provide practical exposure and hands-on training to students in the field of botany, focusing on laboratory techniques and procedures.

**7. Number of Participants: 16** (B.Sc. III-year students of Government NRM Girls College, Dhamtari.)

**8. Resource Persons/Key Facilitators:**

Professor N.S. Dehari, Head of the Botany Department and Prof. Akanksha Kashyap BCS Government Postgraduate College, Dhamtari.

**9. Brief Description of the Event:**

As part of the Memorandum of Understanding (MOU) between the two colleges, a laboratory visit was organized for B.Sc. III students. The visit included:

- Inspection and familiarization with laboratory equipment.

- Practical demonstrations of media preparation, pouring, and culture techniques.
- Hands-on practice sessions for participants to understand the applications of botanical laboratory skills.

## 10. Feedback:

Students appreciated the exposure to advanced laboratory techniques and were highly engaged during the practical sessions.

## 11. Outcomes:

- Enhanced understanding of laboratory protocols.
- Strengthened technical skills relevant to botanical studies.
- Improved ability to apply theoretical knowledge to practical scenarios.

## 12. Photos/Documentation
